BUILD & MATERIALS

- Thick-cut solid timber tabletop & bench slats
- Heavy-gauge powder-coated steel A-frame legs
- Weatherproof sealant for year-round outdoor use
- Reinforced joints rated for high-traffic venues

WHY IT WORKS FOR BEER GARDENS

- Bench seating maximises covers per square metre
- Rustic look pairs well with string lights & planters
- Low-maintenance finish, just wipe clean & go
- Stands up to spills, weather & heavy daily use

SPECIFICATIONS

Table Top	Thick solid timber, sanded & sealed finish
Frame	Heavy-gauge steel, powder-coated black
Seating Capacity	Up to 8 guests per set (bench style)
Recommended Use	Beer gardens, pub yards, festival & event seating
Maintenance	Wipe clean; re-seal annually for extended lifespan
